

Computer Network Technology FAQs

Does my student need any previous experience before taking this class?

No. The course starts off very basic and elevates through each semester. It was designed for students with no prior knowledge or experience.

If my student attends this course, should they go to college or straight to the workforce?

They can do either but it is recommended that they go to a 2 or 4 year college to improve their chances for advancement and/or higher pay.

How much homework can a student expect from this course?

Most work is done in class in order to better evaluate learning. There is occasionally research assignments on advanced technology and trends.

What expenses will I incur? Fees, book rental or purchase, tool costs, etc?

There are no costs.

What is the job market for networking?

Networking is a high demand, high paying field. Students can branch off into special networking fields such as security, wireless, routing and switching and network design.

What about college credits?

We currently offer 6 hours of dual credits with Vincennes University. These credits can be transferred to most 4 year colleges in the state of Indiana.
