

CONSTRUCTION

www.sictc.com • 812-435-8438

Career pathways and postsecondary majors may include:

CONSTRUCTION TECHNOLOGY

Carpenter - Brick/Block Mason - Cement Finisher - Laborer
Insulator - Plumber/Steamfitter - Millwright - Roofer
Glazier - Drywall/Finisher - Painter - Boilermaker
Foreman Equipment Operator - Cabinet Maker
Estimator Project Engineer - Field Engineer - Superintendent

HEATING, VENTING, & AIR CONDITIONING / ENERGY SYSTEMS

Sheetmetal Worker - Refrigeration Technician
Insulator - Mechanical Engineering/Thermal Dynamics
Hydronics - Solar Panel - HVAC Technician

ELECTRICAL TECHNOLOGY

Residential Electrician - Commercial Electrician
Robotics Engineer - Robotics Technician
High Voltage Lineman - Motor Controls Technician
Robotics Software Engineer - Mechatronics Technician
Alarm/Security System Installer

ARCHITECTURAL ENGINEERING

Architect - Engineer - Interior Designer - Engineering
Estimator - Technician - Project Manager
Computer Graphics/Illustrator - Product Designer
Inventor - Construction Manager - Material Scientist
Environmental Engineer - Patent Attorney
